SUMMARY

Hi There! I'm Josh, a Dallas-based Front End Developer with a knack for programing and design. My passion comes from bringing together each aspect of the customer journey across both development and design processes. I focus on creating production ready applications utilizing UX principals with scalable clean code.

EXPERIENCE

Dallas, Texas (2019 - current)

Front End Developer at Imaginuity

- Developed the entire Front End for a high traffic, 99% up time website *uptexas.org*
- Made web enhancements and landing page's for multiple businesses *webuyuglyhouses.com, homevestors.com, advancia.org, etc....*
- Maintained 10 React based themes responsible for over 50 established malls *visithalcyon.com*
- Designed and integrated page templates utilizing a CMS (WordPress / Kentico)

Carrollton, Texas (2017 - 2018)

Freelance Web Development and Marketing at Creative Revolt

creativerevolt.com

- Revamped the desifgn with a bolder color palette / layout
- Created the landing page and multiple sections utilizing WordPress (DiviBuilder)
- Performed website updates and executed content audits

PROJECTS

Svelte, Sapper, JavaScript, Rollup, SASS, HTML

Personal Portfolio

joshuaroper.com

I created a personal portfolio website to showcase all of my recent works. I utilized advanced CSS animations, Svelte, and a static Sapper build.

JavaScript, jQuery, SASS, Foundation, HTML, Kentico (CMS)

University Park

uptexas.org

I was the sole Front End Developer on the project, I implemented a dynamically generated content slider, filtered search, form verification, and multiple third party integrations.

React, React Static, JavaScript, WebPack, SASS, JSX, WordPress

Halcyon

visithalcyon.com

As one of the Front End Developers on the project I was tasked with creating the movies, and events directory. I worked with multiple API's, React Static, and developed clean code.

HTML, CSS, JavaScript, Jquery, WordPress, DiviBuilder

Creative Revolt

creativerevolt.com

This was a freelance project to completely rework the website layout and tailor the feel of the website to her personal writing style.
